November 20th Addendum

2026 TAX CERTIFICATE SALE | REQUEST FOR PROPOSALS

This addendum amends the administrative-fee provisions of the October 23, 2026 Request for Proposals, as revised by Version 2. All bidders shall use the fee schedule below for initial certificates delivered at closing.

REVISED ADMINISTRATIVE FEES

Certificate classification	Administrative fee
Primary parcel and any parcel not designated as companion	$300 per initial certificate
Companion parcel expressly designated in the November 20 parcel schedule	$50 per initial certificate
Subsequent certificate (unchanged)	$200 per subsequent certificate

PARCEL CLASSIFICATION AND CERTIFICATES

Only parcels expressly designated as companion parcels in the November 20, 2026 parcel schedule qualify for the $50 fee. Each eligible, separately assessed parcel will continue to receive its own tax certificate. The companion designation affects the administrative fee only; it does not combine certificates.

AMENDED RFP PROVISIONS

This addendum supersedes the $300 uniform initial-certificate fee in RFP Section 2, Exhibit B (Bid Proposal Form), and Exhibit C, Section 4 (Fees and Closing Expenses), solely to the extent stated above. The purchaser shall pay applicable administrative fees at closing. All other RFP provisions and terms remain unchanged.
